

TACSI mobility aid access guide

We have created this guide to reduce stress when people visit our offices in sydney. Call your TACSI contact on arrival if the doors are not unlocked or you require any other assistance.

If you have any comments about this guide please let us know.

1. Entrance

We are located on level 1 at 145 Redfern Street, in Redfern, sydney.

The entrance is the black double door – about 3m from the pavement – between the Redfern Station Medical Centre and Bloc 145 café.

2. Curb

The curb outside the office front doors is 150mm high and at a right angle to the pavement.

The nearest sloped curb is at the corner of Renwick st and Redfern st approximately 25 metres from the front door.

3. Parking

There is no parking on site, but street parking is available on Redfern street. The closest parking is meter paid parking. There is two hour parking on Cope Street, Renwick Street and George Street. If you require specific parking or assistance please connect with your TACSI contact.

4. Entrance doorway

The entrance is 120cm at its narrowest point. There is a 15cm step up outside the front doors. Your contact person will make sure both doors are open before you arrive.

5. Stairs

There are 21 stairs to access level one.

There is no lift access at the Sydney office. Your TACSI contact will organise a space nearby at a hire space if you require accessibility access.

6. Toilet

We have one all-gender toilet. When you arrive, the staff will let you know where to find the toilet.

The swing door opens straight into the bathroom and is 80cm at its narrowest point.
